Accordingly I beg to solicit the sanction of Government to retire him under Article 307 of the Mysore Service Regulations.

Enclosure 4 (3rd W)

Extract from the Transvaal Service Regulations

307(a) An officer in superior service, who has attained the age of fifty-five years, may be required to retire unless the Govt: considers him efficient and permits him to remain in the service. But, as the premature retirement of an efficient officer imposes a needless charge on the State, this rule should be worked with discretion. And in cases in which the rule is enforced, a statement of the reasons for enforcing it shall be placed on record.
